On November 1, 2013, Byron R. Kelley, the Chief Executive Officer, President and a director of CVR GP, LLC (“CVR GP”), the general partner of CVR Partners, LP (the “Partnership”), delivered notice of his intent to resign from his positions with CVR GP. His resignation will be effective January 1, 2014 (the “Effective Date”).

In connection with his resignation, Mr. Kelley is entitled to receive, in accordance with the terms of his employment agreement, (1) all unpaid base salary earned but unpaid through December 31, 2013, (2) any earned but unpaid bonus for the year ended December 31, 2013, (3) any unused accrued days of paid time off and (4) any unreimbursed expenses. Mr. Kelley will also receive any amounts to which he is entitled under all awards granted to him pursuant to the CVR Partners, LP Long-Term Incentive Plan that has or will become vested prior to December 31, 2013. In addition, for six months, CVR GP will pay any applicable health care premium to the extent it exceeds the premium payable by another active employee of CVR GP.

In connection with Mr. Kelley’s resignation, on November 1, 2013, the Partnership announced that John J. Lipinski has agreed to serve as the new Chief Executive Officer and President of CVR GP, as of the Effective Date, and to continue to serve in his current role as Executive Chairman of CVR GP. Mr. Lipinski has served as the Chief Executive Officer, President and a director of CVR Energy, Inc. (“CVR Energy”) since September 2006 and previously served as Chairman of the board of directors of CVR Energy from April 2009 until May 2012. Mr. Lipinski has been a director of CVR GP since October 2007, was President and Chief Executive Officer of CVR GP from October 2007 until June 2011, was Chairman of the board of directors of CVR GP from November 2010 to June 2011 and has been Executive Chairman of CVR GP since June 2011. In addition, Mr. Lipinski has served as the Chief Executive Officer, President, and a director of the general partner of CVR Refining, LP (“CVR Refining”) since its inception in September 2012. CVR Energy indirectly owns CVR GP and approximately 53% of the common units of the Partnership and the general partner and approximately 71% of the common units of CVR Refining. Mr. Lipinski has over 40 years of experience in the petroleum refining and nitrogen fertilizer industries. He began his career with Texaco Inc. In 1985, Mr. Lipinski joined The Coastal Corporation, eventually serving as Vice President of Refining with overall responsibility for Coastal Corporation’s refining and petrochemical operations. Upon the merger of Coastal with El Paso Corporation in 2001, Mr. Lipinski was promoted to Executive Vice President of Refining and Chemicals, where he was responsible for all refining, petrochemical, nitrogen-based chemical processing and lubricant operations, as well as the corporate engineering and construction group. Mr. Lipinski left El Paso in 2002 and became an independent management consultant. In 2004, he became a managing director and partner of Prudentia Energy, an advisory and management firm. Mr. Lipinski graduated from Stevens Institute of Technology with a bachelor’s degree in Engineering (chemical) and received a Juris Doctor degree from Rutgers University School of Law.
